

Do you like magic?

The Austin Magic Youth is for kids aged 7 to 17 who have an interest in magic. Meet others your own age who are as serious as you about magic.

Criss Angel didn't learn his magic on YouTube!

- Make magic friends and share your magic with them
- Meet experts and professional magicians
- Perform in shows and contests
- Learn and share new magic

Join the Austin Magic Youth!

Meetings are the 1st Monday of every month at the IHOP near 183 and Duval at 5:30 PM. At meetings we have an open mic performance where you can perform for people who will appreciate your magic. We have teaching times where you'll learn new magic. We also have special projects and events.

Be part of the group!

If you love magic, come join us and see how much more you can do. Guests are always welcome.

For information call coordinator, Chris Walden, at 512-996-9019 or send email to youth@ibmring60.org.
